

CONTROL OPERATING COSTS AND ADD UPTIME EFFICIENCY

Pinnacle Fleet Solutions utilizes the latest technology to provide a package of billing and support services to DTNA's fleet customers. Whether you're a small fleet of 25 trucks or a national fleet of thousands, Pinnacle helps your business dramatically improve the efficiency of its maintenance and repair billing administration while ensuring consistent cost and high parts availability across your entire area of operation.

- Comprehensive billing services streamline your operations
- Flexible billing options are designed to fit the way your fleet does business
- Around-the-clock support and unmatched parts availability keep trucks on the road
- Available through participating Freightliner, Western Star, Thomas Built Buses and Detroit dealerships
